Introduction of candidates who are registered Democrats and who are present (who will talk later)

Pledge of Allegiance

Reading of the First Amendment

Civil Rights – MLK’s Legacy, Black History/Today’s Life – Two New Directions

~~Introduction of Lydia Lowell who will speak about “Me Too!” and the importance of feeling safe to both exercise free speech and utilize the laws of the land.~~ Due to scheduling conflicts, Lydia Lowell will speak at our Club at a future date to be determined. Watch for it!

Introduction of Mr. Muhammed, President of the 501(c)(4), Pennies for Community Progress, who will speak about the wise investment taxpayers can make in a Child Services Center (CSC).

The CSC will cost each of us taxpayers about \$60 - \$100/year for less crime, improved education, lower costs to administer the criminal justice system, and more people – better trained and inclined – to take care of the elderly. That will be us! \$100 is cheap insurance for better health care.

It will be nice if, at their next meeting, the Commissioners of Lee County put this matter on the ballot so the people can vote on it. Mr. Muhammed is expected to ask for volunteers to talk to the commissioners and attend the Commission meeting.

Mr. Muhammed

The obvious asks of a Democratic Club in Lee County:

- We need your help. Please become a member and help us become a better club.
- This election year, the Democratic Party of Lee County is already raising funds, making phone calls and getting ready to knock on doors. They would like this club to send 5 volunteers to their battle for a more Democratic Lee County. And, they will be providing several fun opportunities to help raise GOTV money, but please consider going to **[www. leecountydems.org](http://www.leecountydems.org)** and becoming a recurring donor to the Democratic Party of Lee County.

If you have any questions or would like to become a member of The Democratic Club of Bonita Springs and South Lee County, please speak with any officer or director of the Club, including myself, Steven Blumrosen, President, The Democratic Club of Bonita Springs and South Lee County - 239-270 2655.

**The Democratic Club of Bonita Springs and South Lee County
meets the THIRD Wednesday of every month through the elections.
Next meeting will be Wednesday, February 21, 2018. Same place and time.**
